

HMooB Day Vendor Information

Please review the information below carefully.

Set Up: Please arrive no earlier than 2pm to set up. Vending spaces will be chalk marked by numbers to help you easily find your spot. A map with your number and name will be shared as we get closer to the event.

All vendors must be set up and ready to go by 4:30pm. Note that there is no vehicle allowed inside the pavilion after 4pm, so please plan accordingly. Street and public parking are available across the street (Madison) and along Forest Street. No tables or chairs are provided.

Electricity: We will place you close to a power source if you need access to electricity and have indicated that on your registration form. However, note that we do not provide any power cords nor will have any extra on hand.

Food Vendors: The [Eau Claire City-County Health Department](#) requires a food permit to sell or serve food at a special event. All food vendors are required to apply for a [Transient Food Permit](#) when participating in a special event. This application must be submitted at **least 14 days prior to the event**. Applications received less than 14 days prior to the event may not be licensed or permitted to serve food at the event.

Please contact the health department at 715-839-4718 to make sure you have the proper food permit to sale during the event.

Merchandise Vendors: Reseller, makers, crafters, and artists are welcome to sell their items as long as they are family friendly and appropriate for all ages.

Service Business & Nonprofits: If you are coming as a service business or nonprofit, please note that we do not expect you to sell any items, but rather to share and promote your services or business to the public. We invite you to engage the community in ways that are all ages appropriate and interactive.

For any questions about vending, please email us at lead@powerupec.org or call/text us at 833-942-6226

Thank you so much for being a part of our community and celebrating with us and the local the HMooB community.
